

CAPABILITIES STATEMENT

le'fant
We Never Forget

Le'Fant, LLC is a Service-Disabled, Veteran-Owned Small Business (SDVOSB), Historically Underutilized Business Zone (HUBZone) firm. We are ISO 9001:2015 Quality Management System certified and have been designated for a fifth year in a row as a "Great Place to Work." We have successfully managed mission-critical programs that drive measurable results for Veterans.

Le'Fant LLC provides an impressive array of technical capabilities across various domains to meet the Government most complex requirements, including those of the Veterans Administration (VA) and Department of Homeland Security (DHS). Our expertise spans software development, systems integration, cybersecurity, data management, cloud services, and enterprise solutions, delivering comprehensive solutions aligned with federal standards and compliance regulations.

CORE CAPABILITIES

Application Development & Modernization

Le'Fant delivers secure, scalable, high-performance applications, leveraging expertise in modern programming languages, frameworks, and agile methodologies.

Cloud Solutions & Infrastructure Management

Le'Fant provides complete cloud services solutions, including cloud architecture, deployment, and management, focused on optimizing efficiency and cost-effectiveness.

Data Management & Analytics

Le'Fant's extensive experience in database management, data warehousing, and business intelligence enables data-driven decision-making for VA programs. These capabilities include database administration and development, big data analytics, and reporting on secure and compliant managed data.

Cybersecurity & Compliance

Le'Fant delivers robust cybersecurity measures and compliance with federal standards such as FISMA, FIPS 140-2, HIPAA, Section 508, and VA Handbook 6500. We specialize in identity management, threat detection, and secure application development, with expertise in tools for access control, secure coding practices, and vulnerability assessment.

CORE CAPABILITIES

Enterprise Solutions & System Integration

Le’Fant delivers comprehensive enterprise solutions, including ERP, CRM, and collaboration platforms to streamline operations. This expertise efficiently modernizes and consolidates VA systems through integration, enterprise architecture, and software configuration.

Le’Fant consistently delivers innovative, scalable, and secure solutions that meet the demands of the Veterans Administration. Le’Fant utilizes the skills, tools, and methodologies required to transform complex requirements into effective technology solutions.

SOLE SOURCE CONTRACTING

Sole Source: Contracting Officers have several tools at their disposal to make sole source awards to SDVOSBs. Both Federal Acquisition Regulation (“FAR”) and Veterans Affairs Acquisition Regulation (“VAAR”) permit federal Contracting Officers to award sole source contracts to Service-Disabled Veteran-Owned Small Businesses (“SDVOSBs”). Using direct authority under FAR Part 19, sole source awards in non-manufacturing NAICS codes can be made up to \$3.5 million. The Veteran Affairs’ (VA’s) authority to make SDVOSB sole source awards extends to contracts of up to \$5 million. Finally, under FAR Subpart 13.500, commercial items may be procured on a sole source basis up to \$6.5 million, provided that an appropriate Justification and Approval (J&A) is executed.

- ↓ **Step 1:** Define the scope of the project and provide written offer letter to the SBA (13 CFR 124.502(a)).
- ↓ **Step 2:** Send offer letter to specific District Officer (13 CFR 124.502(b)(3)). The written acceptance letter to award procurement for Le’Fant should be sent to dcofferletters@SBA.gov. Phone: 202-205-8800, Website: <https://www.sba.gov/dc>
- ↓ **Step 3:** SBA accepts offer within 2 days for contracts valued at or below the simplified acquisition threshold and when above within 10 days of receiving the letter (13 CFR 124.503(a)).
- ↓ **Step 4:** An SBA delegated contract or a three-party agreement is signed within 3 days of receipt (13 CFR 124.508(a-c)).
